Dear Daniel,

We are pleased to offer you the position of **Senior Robotics Engineer** at Acme Robotics Inc., reporting to Dr. Priya Patel, VP of Engineering. Your anticipated start date is April 15, 2026.

1. COMPENSATION

Your base annual salary will be USD \$185,000, paid in semi-monthly installments. You will also be eligible for a discretionary annual bonus targeted at 15% of base salary, subject to company and individual performance.

2. EQUITY

Subject to Board approval, you will be granted 20,000 restricted stock units, vesting over four (4) years with a one-year cliff (25% on the first anniversary, then 1/48 monthly thereafter).

3. BENEFITS

You will be eligible for our standard benefits package including health, dental, and vision insurance (effective on your start date), 401(k) with 4% employer match, and 25 days of paid time off per year.

4. EMPLOYMENT-AT-WILL

Your employment with Acme Robotics is at-will, meaning either you or the company may terminate the relationship at any time, with or without cause or notice.

5. ACCEPTANCE

To accept this offer, please sign below and return by April 1, 2026. This offer is contingent upon successful completion of a background check.

Sincerely,

Jennifer Wallace
